

## ATI Physical Therapy Expands in Texas with new Austin Clinic

**BOLINGBROOK, Ill. (August 29, 2017)** - ATI Physical Therapy, the nation's largest physical therapy provider, is proud to announce the opening of its first clinic in the Austin, Texas area. The Cedar Hill-Cypress Creek Rd. clinic is located at 1320 Cypress Creek Rd., Ste. 104. The new Cedar Park clinic offers the community access to physical therapy, sports medicine and workers' compensation services from the nation's leading physical therapy provider.

"ATI Physical Therapy is excited to announce the opening of its Cedar Park location," said, Gary Carlson, Regional Director at ATI Physical Therapy. "This is the first of several planned locations for ATI in Austin. As a company, ATI is committed to being the leader in the physical therapy industry and we have assembled a great team of talented local Austin therapists to deliver exceeded levels of care and service in every facet of their therapy experience. We welcome anyone to visit our new facility and look forward to serving the Cedar Park community."

Leading patient care at Cedar Park- Cypress Creek Rd. is Clinic Director Katelyn

Smith, PT, DPT. Smith graduated from Butler University in 2012 with a Bachelor of Arts degree in Psychology. She went on to earn her Doctorate in Physical Therapy from Northwestern University in 2015. Smith specializes in manual techniques as well as functional exercises and therapeutic activities to return patients to optimal levels of function. She has taken the Orthopedic Certified Specialist course and board certification examination, and is currently working toward attaining her Certified Orthopedic Manual Therapy specialization. While working in Chicago, Smith often volunteered her time and physical therapy skills at an elite gymnastics gym by providing assessments and physical therapy to gymnasts. She is passionate about working with athletes as well as other patient populations in the outpatient physical therapy setting. Her clinical experience includes treating patients for pre and postoperative care, musculoskeletal pain, work hardening, neurological conditions, and pediatrics.

Known for high quality of care and exceptional results, ATI provides personalized treatment plans and a hands-on approach to physical therapy and sports medicine. First appointments with all ATI clinics are scheduled within 24-48 hours, and early morning and evening hours are available to accommodate patient schedules. Rehabilitation services include manual therapy, therapeutic exercise, strength training, cardiovascular conditioning, sports-specific training, and therapeutic modalities, such as ultrasound and electrical stimulation.

ATI offers expanded hours and complimentary screenings, plus accepts virtually all major insurance carriers. Unique to the industry, ATI's dedicated in-house research department aims to improve patient outcomes through basic science, research and evidence-based medicine. This includes the ATI Patient Outcomes Registry, a collection of data that supports an innovative approach to physical therapy that improves awareness of patient outcomes and how the rehabilitative process can impact patients' quality of life.
