"ATI Physical Therapy is excited to announce the opening of our Georgetown location," said Gary Carlson, VP, Operations, ATI Physical Therapy. "As a company, ATI is committed to being the leader in the physical therapy industry and we have assembled a great team of talented local Austin therapists to deliver on exceeding customer expectations in every facet of their therapy experience. We welcome anyone to visit our new facility and look forward to serving the Georgetown community."

ATI offers expanded hours and complimentary screenings, plus accepts virtually all major insurance carriers. Unique to the industry, ATI's dedicated in-house research department aims to improve patient outcomes through basic science, research and evidence-based medicine. This includes the ATI Patient Outcomes Registry, a collection of data that supports an innovative approach to physical therapy that improves awareness of patient outcomes and how the rehabilitative process can impact patients' quality of life.

First appointments with all ATI clinics are scheduled within 24-48 hours, and early morning and evening hours are available to accommodate patient schedules. ATI accepts virtually all major insurance carriers, verifies patient benefits prior to the start of treatment and offers individualized payment plans.
