

ATI Physical Therapy Expands in Pennsylvania with Montgomery

BOLINGBROOK, Ill. (Mar. 29th, 2018) - ATI Physical Therapy, the nation's largest physical therapy provider, is proud to announce the opening of its new clinic in Montgomeryville, Pa. The Montgomeryville – Bethlehem Pike clinic is located at 776 Bethlehem Pike. The new clinic offers the community access to physical therapy, sports medicine and workers' compensation services from the nation's leading physical therapy provider.

“I am excited to be back home to serve my community; working with my neighbors and friends,” said clinic director Stuart W. Orr, BS, PTA, NSCA-CPT, CWcHP,. “I look forward to building long lasting relationships and becoming a pillar in our community after working in surrounding areas for many years.”

Orr will lead patient care at Montgomeryville – Bethlehem Pike. Orr is a graduate of Pennsylvania State University, having earned his Associate in Applied Science degree with a concentration as a Physical Therapy Assistant. Shortly after, Orr earned his Bachelor of Science degree in Marketing and Management from Pennsylvania State University. Orr holds certifications as an exercise specialist through the National Strength and Conditioning Association (NSCA-CPT) and as a Matheson Functional Capacity Evaluator and Workers' Compensation Healthcare Provider. In building on his credentials, Orr further develops his clinical skills through his passion for teaching other healthcare professionals. He has worked closely with orthopedic physicians utilizing an evidence-based, team approach to improving performance outcomes. Orr uses his background in sports performance, movement quality, muscle imbalances, and manual therapy when treating patients as well.

Known for high quality of care and exceptional results, ATI provides personalized treatment plans and a hands-on approach to physical therapy and sports medicine. First appointments with all ATI clinics are scheduled within 24-48 hours, and early morning and evening hours are available to accommodate patient schedules. Rehabilitation services include manual therapy, therapeutic exercise, strength training, cardiovascular conditioning, sports-specific training, and therapeutic modalities, such as ultrasound and electrical stimulation.

ATI offers expanded hours and complimentary screenings, plus accepts virtually all major insurance carriers. Unique to the industry, ATI's dedicated in-house research department aims to improve patient outcomes through basic science, research and evidence-based medicine. This includes the ATI Patient Outcomes Registry, a collection of data that supports an innovative approach to physical therapy that improves awareness of patient outcomes and how the rehabilitative process can impact patients' quality of life.
