

ATI Opens Fourth Clinic in Scottsdale, AZ

BOLINGBROOK, Ill. (June 30, 2017) - ATI Physical Therapy, the nation's largest physical therapy provider, is proud to announce the opening of its newest clinic in Scottsdale, which marks the fourth location in the area and 32nd in the state. Located at 6339 East Greenway Rd., Ste. 102, the Scottsdale-Kierland clinic offers the community access to physical therapy, sports medicine and workers' compensation services from the nation's leading physical therapy provider.

"We are excited to announce the opening of our Scottsdale – Kierland Clinic with Meghan Slavin as the clinic director," said Regional Director, Anthony Lelo. "Meghan has long-standing ties to the area, graduating from Horizon High School and is excited to be opening our newest Scottsdale clinic so close to the area she grew up in. We welcome patients, community members and physicians to visit our new facility, and look forward to helping our patients get back to a healthy and active lifestyle!"

Slavin graduated from Arizona State University in 2009 with a Bachelor of Science in Exercise and Wellness. She went on to earn her Doctorate of Physical Therapy from Midwestern University in 2013. Slavin enjoys working with a variety of patients and uses manual techniques and functional exercises to help patients return to their optimal levels of function. She has taken several continuing education courses to gain knowledge and improve patient care with orthopedic pathologies, functional joint mobilizations, trigger point dry needling, and vestibular rehabilitation. Her clinical experience includes treating patients for pre and postoperative care, musculoskeletal pain, neuromuscular disorders, vestibular dysfunction, and posture/body mechanics training for further prevention of injury. Slavin also enjoys developing injury prevention programs for youth gymnasts, runners, and other athletes. In her spare time, you can find Slavin trail running, coaching gymnastics, serving as a simulated clinic evaluator at Midwestern University, and volunteering at a variety of sporting events.

Known for high quality of care and exceptional results, ATI provides personalized treatment plans and a hands-on approach to physical therapy and sports medicine. First appointments with all ATI clinics are scheduled within 24-48 hours, and early morning and evening hours are available to accommodate patient schedules. Rehabilitation services include manual therapy, therapeutic exercise, strength training, cardiovascular conditioning, sports-specific training, and therapeutic modalities, such as ultrasound and electrical stimulation.

ATI offers expanded hours and complimentary screenings, plus accepts virtually all major insurance carriers. Unique to the industry, ATI's dedicated in-house research department aims to improve patient outcomes through basic science, research and evidence-based medicine. This includes the ATI Patient Outcomes Registry, a collection of data that supports an innovative approach to physical therapy that improves awareness of patient outcomes and how the rehabilitative process can impact patients' quality of life.

About ATI Physical Therapy

ATI is a privately held, nationally recognized healthcare company, specializing in outpatient rehabilitation and adjacent healthcare services. With a focus on delivering a remarkable experience to every patient, every day, ATI has close to 700 locations from coast to coast. ATI was named "Best Physical Therapy Practice in the Nation" by *ADVANCE* magazine, and was one of the first physical therapy companies in the country to achieve URAC Core Accreditation, a mark of distinction that recognizes its commitment to quality healthcare. Based in Bolingbrook, Illinois, ATI gives back to communities across the country through the ATI Foundation, a non-profit

established by ATI, which has provided more than \$3 million in resources and funding to children with physical impairments. For more information on ATI Physical Therapy, and a complete list of clinic locations, services and the ATI Foundation, please visit [ATipt.com](https://www.atipt.com).
